

Veneto Trail 2020 | Rule Book

- The event is non-competitive and there are some mandatory rules to respect.
- The Veneto Trail's track is not exclusive for the participants so it's mandatory to respect the traffic laws.
- The track is not reported by signs or indications and the only official reference for it is the gpx track sent by the staff.
- There's no health care service or any kind of assistance provided by the staff and while riding the Veneto Trail. The participant is considered like a normal cyclist in a normal excursion with no more rights than in any other occasion.
- There's no recovery in case of retire from the race and no obligation of searching the participants.
- If you'll retire from the race you must communicate it to the staff using an SMS or a WhatsApp message to 0039-3498830284 (Andrea).
- The A.S.D. Superbike Pozzetto is not a professional event organizer and that the event is not for lucre purposes.
- The A.S.D. Superbike Pozzetto is relieved of any responsibility connected to the Veneto Trail's participants (accidents, loss of the route, physical problems, thefts etc.).
- The participant undertakes to respect and keep clean the places crossed and undertakes not to throw the waste produced along the route.
- Participants are asked to have a good physical preparation, resistance to prolonged efforts, and above all spirit of adaptation.
- There's no maximum time for complete the trail.
- It is forbidden to have any type of external effort (e.g. motorised vehicles, deviations from the official track etc.) except in case of emergency.
- The gpx track must be entirely completed if you want to be considered a finisher of Veneto Trail 2020. If you exit from it you must go back and ride it from where you were.
- For your own safety there's a mandatory kit you must have with you during all the trail: bike helmet, cell phone with battery charger, Neveralone free app (Recommended), front and back lights, GPS, First aid kit and bike repair kit.

- There's not any type of assistance from the organisers and the participants must be well equipped for all kind of possible weather conditions and environments.
- The participant must have a GPS reader for following the official track.
- The participant must be in a good health state and declares not to use any kind of drug substance for alternating the performance or cause any possible danger situation.
- The participant could find unexpected conditions or events along the trail (e.g. rain, snow, strong wind, cold, fog, darkness, humidity, accidents etc. etc.).
- The participant must be in possession of a medical certificate for the cycling practice or equivalent issued by a Sports Medical Centre or a doctor.
- The participant is responsible of his behaviour during and after the event
- The participant grants to the organizers the widest consent to use, in the manner permitted by law, of all its video, photographic images, etc. resumed on the days of the event.
- The participant expressly authorizes the organization, free of charge, to use images and videos depicting their person, taken during the event, every day of its duration. The present authorization for the use of one's own image must be intended for an indefinite period and without territorial limits all over the world, for use in various publications and films, including, but not limited to, promotional materials and / or advertising on all media.
- The organization declines all responsibility for themselves and their collaborators, for accidents or damage to persons or property, which may occur before, during and after the event or as a result of the same. The organization also reserves the right to exclude cyclists from the event who will behave incorrectly before, during and after the same.
